

Merkel Independent School District

School Health Advisory Council Is Seeking New Members!

The School Health Advisory Council (SHAC) assists the district in ensuring that local community values are reflected in the health education program. The council will address the continued implementation of a coordinate health program including student health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion and family/community involvement.

The SHAC meets at least 4 times during the school year.

If you are interested in serving on the SHAC, please complete the application below and return to your child's school.
